Subject: Lists of Sipo u. SD Personnel

1. The attached lists of Sipo u. SD Personnel have been drawn up for the six Wehrkreise in which we are primarily interested (XII, V, XIII, VII, XVII, XVIII) as well as for Berlin (Wkr. III) and are forwarded to you herewith for your information.

2. Our chief sources of information for this material are: Taschenbuch für Verwaltungsbeamte (April, 1943); Die Deutsche Polizei (bi-weekly periodical, 75% of issues of 1943); the French Black List (1940); and one or two other local sources which are somewhat more up to date. These lists of names have been taken from all of the most recent information we have on the Sipo u. SD in these Wehrkreise, but they are still far from being complete or even "up-to-date" actually.

3. This list includes names of all persons in our files who were last reported to hold a Sipo or SD appointment in one of the above mentioned Wehrkreise. Whenever "(1940)" appears after a name on the list it indicates that the last information on the individual in question was contained in the French Black List of 1940.

DR. ISPERT (DUESSELDORF)

14/1/1938

1521/26

ISPERT was formerly head of an office in the Deutsche Burschenschaft (nationalist fraternity-group); then a collaborator and adviser of Landeshauptmann HAAKE, and connected also with the Büro VON KURSELE, which no longer exists. Dr. STEINACH made HAAKE a specialist on Luxemburg early in 1937. ISPERT had some loose connections with the Büro HOLTBOEFER. ISPERT was opposed to too strong anti-Bolshevist propaganda in Western Europe, fearing that the Church would take advantage of it.--Therefore he did not want too close a connection with the Propaganda Ministry. ISPERT had connections via HAAKE with the directors of the Four Year Plan. ISPERT had various helpers, e.g. Dr. MENGEL (Remscheid/Hasten); Dr. LUDOLF MEISS; and Dr. SCHERDIN (Aachen), specialist on Belgium and Holland and close to the Deutsches Institut of the Technische Hochschule, Aachen.

8/7/1938

1521/26

ISPERT was visited at Wuppertal on 6 and 7/7/1938 by Prof. Dr. von FRAGSTEIG; Dr. ROEDER; and Dr. GIES of the SD. ISPERT reported 30,000 marks were available from the VDA for work on Luxemburg. He proposed to activate two associations to work on Luxemburg,--one a formal association, the other to do practical work. He reported distribution of funds to Luxemburg groups. He urged that the Bonn group, around STEINACH, be eased out of work on Luxemburg.--GIES and ROEDER did not want the SD side of Volk-German work in Luxemburg to be under ISPERT.

5/9/1938

1521/26

ISPERT is working closely with the Prussian Government (through HAAKE), the Propaganda Ministry, the Volksdeutsche Mittelstelle, the VDA, and Aussonstelle West of the Reichsstudentenführung (Deutsche Studentenschaft).

1521/26

ISPERT is co-operating with SD-Frankfurt/M. on trips of young Luxemburgers to Germany, which are backed principally in order to get additional information on Luxemburg.

3/2/1940

ISPERT, writing from the Propaganda Ministry in Berlin, suggests methods of propaganda in Luxemburg, especially on its use among the peasants.

4/12/1938

1521/26c

ISPERT paid for the Rhineland trip of young Luxemburgers in November 1938.

5/1/1939

1521/26c

ISPERT is associated with the Aussonstelle West of the Deutsche Studentenschaft in running a ski-trip of young Luxemburgers.
